

BILL PAYMENT MACHINE

Customers want to be served when they want, and where they want, not when someone else is ready to serve them. Greet our Bill Payment Kiosk- the excellence in customer service. Accepting cheques, and all denominations of world's major currencies round the clock, it can receive all type of bills: Electricity, Internet, Phone, Gas, Water, Credit card and you name it. It can also be programmed to issue passes and tickets for conferences, theatres, concerts and parks. And it does all this with an easy-to-use touch-screen based native language interface. No long queues, no timing restrictions, no more going to separate locations for each bill. Just the bill payment Kiosk! *We know everybody wants an easy life.*
