

# CARD VENDING MACHINE

GS-646 CV

Three hundred years ago, when people started using paper notes as currency, they did not reckon that one day they would be using them with the machines- putting the currency notes in and taking the commodities out. Today Genesis makes this a reality. Our state of the art card vending kiosk can accept all denominations of world major currencies, vending upto six different types of cards, tickets or passes at a time, This makes it ideal for conference and exhibition passes, tickets, cellular, phone, Internet cards and tokens.

*Trade with the kiosk, feel the difference!*
